

## ADDENDUM NO. 01

This Addendum No. 01 is issued to modify or amend items in the Bidding Documents for the **Provision of Technical and Scientific Equipment for R&D Program on the Use of Biotechnology to Modernize Production of High-Value**. This shall form an integral part of the Bid Documents.

Name of Project: **Provision of Technical and Scientific Equipment for R&D Program on the Use of Biotechnology to Modernize Production of High-Value Crops**  
 Location: CSU Campus, Ampayon, Butuan City  
 Brief Description: Provision of Technical and Scientific Equipment for R&D Program on the Use of Biotechnology to Modernize Production of High-Value

Approved Budget  
 for the Contract : **Php. 2,700,000.00**  
 Source of Funds: RAF 2021  
 Contract Duration: 90 Calendar Days

Please be informed of the changes in the Bidding Documents, as follows:

| Changes/ Amendment                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                               |                        |               |                                           |             |                                                                          |             |
