**1. On Subcontracting**

During the Pre-Bid Conference held on **February 10, 2026**, a statement was made indicating that subcontracting is allowed for this project.

However, as stated in the Philippine Bidding Documents (PBD), particularly under ITB Clause 8.1 of the Bid Data Sheet, **subcontracting is NOT allowed** for this project.

Furthermore, pursuant to Section 7.5.1 of Republic Act No. 12009:

*“The approval of the HoPE, upon recommendation by the End-User or Implementing Unit, shall be required for subcontracting. The approval shall include the determination of whether the eligibility documents of the subcontractor will be required as part of the Bid or submitted before the issuance of the Notice of Award.”*

In this case, **no recommendation has been issued by the End-User/Implementing Unit and no approval has been granted by the Head of the Procuring Entity (HoPE)** to allow subcontracting.

Accordingly, subcontracting is **NOT allowed** for this project, and the Procuring Entity shall strictly adhere to the provisions of the PBD and applicable procurement laws.

Any previous verbal statement inconsistent with the PBD and applicable law is hereby superseded by this Supplemental/Bid Bulletin.
